<p>Public Comments:</p> <ul style="list-style-type: none"> <li>• Mike Kerastas – Looking for recognition to put docks in, repair houses etc. in plat 1 on Sapphire Lake. He wants documentation to allow him to make improvements to the “hill” area. He feels that this is an issue that will not go away. He wants to see recognition of his riparian rights in writing. Worried about the response from the DEQ if he were to go ahead and make the improvements without a Township Ordinance.</li> <li>• Mimi Zwolak – Responded to Kerastas that the beach and the shed are both in the easement. Those items aren’t at the water’s edge and shouldn’t be a DEQ issue.</li> <li>• Supervisor Hall reported the response from attorney Cliff Bloom; the Township can only create an ordinance to stop something from happening. The township cannot create an ordinance to allow something.</li> <li>• Pam Hill – Questioned if Crooked Lake has been stocked? Answer: No. Mike Fish left the committee.</li> <li>• Bonnie Baird – Unhappy about the trees and saplings removed from the wetlands. She feels nothing was done to improve the view at the Jennings beach.</li> <li>• Gary Gunnerson – responded to Ms. Baird that the Maple, Popple, and Apple trees were left and that they did not hurt the wetlands.</li> <li>• Mimi Zwolak - would still like to see Lake Township have an email subscription for better communication purposes with the township</li> </ul>	<p><b>PUBLIC COMMENT</b></p>
