Administration:

“LaChance Rd”: at the August 8th, 2018 Missaukee County Road Commissioners meeting a motion passed to leave the spelling of the road name as LaChance with an “a”. Motion passed 3-0.

Township officials delivered a strong message to state lawmakers and the state Department of Treasury at two meetings this week focused on a proposed overhaul of Michigan's assessing system. HB 6049 and SB 1025 were introduced in May to phase in comprehensive quality standards for all local tax-collecting units over five years. Township officials were well-represented among the crowds of well over 100 people at each meeting. Similar themes emerged throughout both meetings--local issues and concerns should be handled by local people, and assessors need proper funding and training to be able to do their jobs. MTA has also shared comments received via email with lawmakers to consider. Now, MTA and other local government organizations will meet with the bill sponsors and Treasury to review comments, concerns and suggestions. Both lawmakers have said they expect to make revisions based on the comments received from local officials. Members are encouraged to talk to their state representative and senator, as they are an integral part of the dialogue. Anyone who has not yet submitted a comment to MTA but would like to do so should email judy@michigantownships.org by early next week. – Source Michigan Township Association Insights dated 8/31/2018.
