Twp.)—have been the subject of countless meetings and legislative conversations with many comments, concerns and suggested changes discussed. Based on the most recent workgroup meeting, multiple changes are being proposed and discussed as the direct result of concerns shared by MTA and township officials—with these recommended changes and/or eliminations supported by MTA. However, it is important to note that these changes are not final as not all parties have agreed to them nor have all issues been addressed. – source 9/27 MTA legislative update.
