<p>Public Comments:</p> <ul style="list-style-type: none"> • Mimi Zwolak- reported forwarding of invoice for payment to Township on behalf of Lake Enhancement Committee. Reported Starry Stonewort found in the lagoon again in August. Treatment took place September 13th. Will be looked at again in the spring survey to see if there is growth. Little re-growth for milfoil, no treatment done this time. Supervisor Hall asked if they can treat Stonewort through the ice. Mimi stated that they are still in the learning process with this invasive species due in part to this being an algae rather than plant based and that it is a new invasive species. Can only use limited chemicals. Higgins Lake is trying a DASH method, which is diver assisted. 	<p>PUBLIC COMMENTS</p>
