Lake Township in Missaukee County proposes to request \$437,000 in Spark Grant funds to develop a brand-new park in Jennings on Crooked Lake. The project will increase lake access with completion of Elm Street, provide a kayak launch and a fishing pier, as well as a pavilion with fireplace. A paved parking lot and an overflow gravel parking lot will be built. All amenities will comply with ADA accessibility.

We want to hear from you regarding this grant application. We will be hosting a public comment session during this meeting on June 14.
